Date: June 16, 2019

This examination has been scientifically carried out by a Graduate Gemologist using the current procedures of E.G.L. and may be repeated at any time.

WEIGHT: **1.01 Cts.**

Shape and Cut: **Round Brilliant**
Measurements: **6.38 - 6.33 x 4.00 mm.**

PROPORTIONS
Total Depth: **62.9 %**
Table Width: **58 %**
Crown Height: **14 %**
Pavilion Depth: **45 %**
Girdle Thickness: **Slightly Thick, Faceted**

FINISH
Polish: **Excellent**
Symmetry: **Very good**
Culet: **None**

CLARITY GRADE: * **SI1**

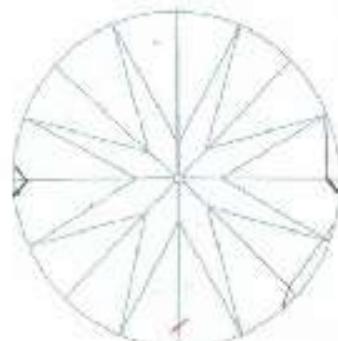

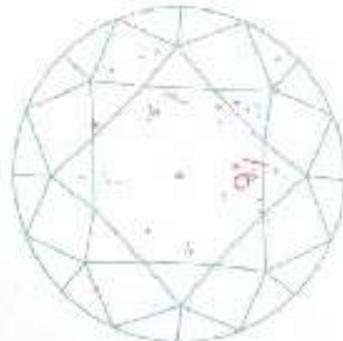

Graining: **Nil**

COLOR GRADE: ** **I**

Fluorescence: **None**

CLARITY REPRESENTATION

Internal characteristics shown in red. External characteristics and naturals shown in green. Extra facets shown in black. Symbols indicate nature and location of identified characteristics, not their actual size. Hairline feathers in girdle, minor bearding and minor details of polish and finish not shown.

Comments:

- Internal laser intervention not shown.
- Additional pinpoints are not shown.
- "PREMIUM CUT" - The proportions of this diamond are within the tolerance of those of the Premium Cut, thus achieving a harmonious balance between proportions & the display of brilliance.

E.G.L. European Gemological Laboratory.

* Clarity grade based on 10 X magnification with corrected loupe.

** Color based on master color diamonds comparison.

ORIGINAL This report is supplied upon request of the customer and is issued for his/her exclusive use. The report expresses an opinion at the time of examination of the stone. It is not a guarantee, a valuation or an appraisal of any kind. E.G.L. has made no representation or warranty regarding this report or the diamond described. Since diamond grading is not an exact science this report represents only the best professional opinion of this company. E.G.L. is in no case responsible for differences which could occur by reported appraisals and/or use of other standards, norms, methods or criteria other than those chosen by E.G.L.

The laboratory does not and may not appraise stones which are submitted for inspection.
