GIA REPORT 6127035732

Profile not to actual proportions

KEY TO SYMBOLS

Feather

Red symbols denote internal characteristics (inclusions). Green or black symbols denote external characteristics (blemishes). Diagram is an approximate representation of the diamond, and symbols shown indicate type, position, and approximate size of clarity characteristics. All clarity characteristics may not be shown. Details of finish are not shown.

This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") and/or has been inscribed using the techniques and equipment used by GIA at the time of the examination and/or inscription. Inclusions reported in this document are not a guarantee, valuation, or warranty of a diamond's quality, purity of origin or source, or that the diamond will be identifiable by the inscription in the future (since inscriptions can be removed). GIA makes no representation concerning any trademark, word or symbol which is inscribed by GIA or which is identical to this Report. The recipient of this Report may wish to consult a professional jeweler or gemologist about the information contained herein.

The security features in this document, including the hologram, security number and registration lines, in addition to those set forth, protect document security against tampering.
